Community Coordinator revenue share

WHO	KEEPS	OF WHAT
Community Coordinator	70%	of gross subscription + add-on revenue from businesses in their territory.

WHO	KEEPS	OF WHAT
Platform	30%	of that same territory revenue (plus 100% of any direct, non-territory business).

Admin-adjustable per coordinator within a 50–100% band for special deals. Each charge snapshots the rate at time of charge, so past earnings are never re-priced. Customers are always free.

Cirqlback — tap-to-earn loyalty & local discovery. Prices effective as published; subject to change. See the financial projection for account-type economics.
